

# Make a bird feeder

Animal lovers

30 mins – 1 hour

## What to do

See our printable [PDF](#) or watch our [video](#)

## Things to think about

- What was your favourite bird?
- Could you hear the birds as they came in to land?
- What calls did they make?
- Did some come back over and over again?
- What do you think the birds liked best about your bird feeder?
- How did watching and listening to the birds make you feel?
