How does this work?

'Generation Wild' has had a positive impact on us!

Pupils have made Ava a nest and a pair of binoculars, two children even wrote to her and she replied! (Year 2 Teacher)

My child has loved completing nature activities out of school.
He has spent evenings outside rather than on his console.
(Year 2 Parent)

Thank you so much for the free Martin
Mere ticket, we can't wait to go back. (Year
2 Parent)

Pupils completely engaged and have
improved their cultural capital, the smiles
on their faces as they earn badges were
priceless. (Year 2 teacher)

This is the best day ever! (Year 2 pupil after
rolling on the grass)

I am proud that we collected all of the
badges to become Guardians of the Wild!
(Year 2 pupil)
