

GENERATION *WILD*

Euston Street Primary School have enjoyed working towards becoming 'Guardians of the Wild!'

Primary 2 have completed the nature activities as part of our outdoor learning.

We have loved taking care of nature in our school garden and using natural materials.

We have had opportunities to connect with nature, take risks and develop our problem-solving skills.

GENERATION *WILD*

Ava's Visit

GENERATION *WILD*

Hunt for colours of the rainbow

GENERATION *WILD*
