

Guardians of the Wild 4L

Barefoot walking

**I thought that the grass felt really sticky, I'd rather walk barefoot on a path rather than grass.
Amelia-Grace.**

Roll on the grass

**I felt dizzy when I rolled down the hill, but I enjoyed myself.
Scarlett.**

Listen to a stream/river

**Listening to the river made me feel relaxed, I could hear the water moving and splashing against the rocks.
Halima.**

Play leaf snap

Play pool sticks

Find a lovely leaf

As a class we have thoroughly enjoyed taking part in the nature activities both at Martin Mere and when we completed them at school. The children have been more observant of their surroundings, taking notice

My favourite type of leaf was a maple because it has a beautiful shape.
niley

In the river were rocks and algae, the sound of the water was calming. I enjoyed p-laying Pool Sticks and my stick came out first.
Nayah

It was nice to find new and interesting leaves, my favourite leaf was a holly leaf because it was a pretty green colour and spikey.
Amira.

of what they can see and hear. We also made nature inspired Father's Day cards using leaves. Thank you for the opportunity to attend Martin Here and take part in Guardians of the Wild this year.
