Dear WWT,

Our children thoroughly enjoyed  
our visits for our nature experience.  
We were set challenges in school  
and we achieved some of our  
badges too.

They promise to keep loving  
nature and we are so proud that  
some of the children have completed  
some tasks at home.

As a staff we would like to  
thank you for the opportunity to  
visit. The staff made us feel so  
welcome and were very knowledgeable  
so our children learnt so much.

Thank you
